the property care experts

Seminar Title: Basement Waterproofing Solutions

About Timberwise

For the last four decades, Timberwise have developed into a nationwide company, delivering local service through it's extensive network of specialist branches, surveyors and technicians. Throughout it's history, Timberwise has focused on what it knows best – and it is regarded time and time again for its quality service and value for money. Maintaining our reputation for professional excellence and customer satisfaction is core to our business philosophy and the future continued success of the company.

Seminar Details

Calling upon over 10 years experience in the successful treatment of flooded basements, Timberwise will enhance the attendees knowledge of Cavity Drain Systems and their workings in lieu of providing a successful solution to the flooded basement problem.

Duration

Approx. 60 minutes with questions afterwards
